

The Main Street Stimulus Plan helps restore the American Dream of business ownership by offering Entrepreneurs and Business Owners the option of financing our business credit and funding platform to achieve the funding needed to launch or grow a business in today's economy.

Through our stimulus plan, The Credit and Funding Pros Funding Platforms can be financed over a 6 to 12 months time period with an **Interest FREE Loan**.

### **Requirements To Qualify:**

Credit is not required, just an active (personal or business) bank account that has been opened for a minimum of 6 months.

All applicants must submit a one page business plan description with a breakdown of usage of funds and must meet a minimum of one of the following criteria:

- Veteran or Active Military
- College student or Recent Graduate (within the past 4 years)
- Minority Owned Business
- Hardship Applicant (Ex. Single Parent, Low income, Displaced, or Recently released from Incarceration)
- Retired

### **Financing Options and Payment Plans:**

The Credit and Funding Pros. funding platforms can be financed between 6 to 12 months with an interest FREE Loan.
